6 STEPS TO ORDERING
SHOE LASTS & FOOTWEAR FROM DIGITOE®

STEP 1  Watch the Digitoe Theatre Movie Clips on CD-ROM or Video Cassette for complete details that will answer all your questions about the “Custom Fitting Process”.

STEP 2  Consult with a Customer Service Associate regarding:
1. Your fitting needs
2. Footwear selection
3. Appointment schedule

STEP 3  Your fitting appointment:
Allow approximately 1-2 hours and bring the socks you plan to wear with your Custom Fit Footwear.

STEP 4  Your fitting data is sent to Digitoe for processing and manufacturing of:
- Your shoe lasts
- Your trial fit shoes
- Back up data files

STEP 5  The “Trial Fit Shoe” is delivered for your approval and fit preference comments.
Once the fit is approved, your shoes can be made and they will all feel the same.

STEP 6  Place your order for shoes:
Many styles can be made on the same “Shoe Last”.
Choose from a wide selection of leathers in a broad range of colors & patterns.
